CURRENTLY STUDYING

HTML, CSS, JAVA

I am still working or exploring this 3 programming language because I am an aspiring web developer

SKILLS

HTML

CSS

JAVASCRIPT

JAVA

LANGUAGE

English

Filipino

ABOUT ME

I am in my second year of studying at the Rizal Technological University (RTU), taking a Bachelor of Science in Information Technology. I am only an entry-level web developer because there is a lot of knowledge I need to master, and I am currently working on it.
